- (a) monitor the development and ongoing review of appropriate legislative compliance policies and programmes where applicable;
- (b) receive, review and discuss with management regular reports on legislative compliance; and
- (c) monitor progress in responding to enquiries from regulatory authorities.

5. Composition

5.1 General

- (a) The Board's Directors are business leaders and professionals from both industry and financial backgrounds. Management is therefore exposed to, and benefits from, a diverse range of views on the issues raised before the Board.
- (b) Each Director must be able to add value to the Board's deliberations. In addition, the Board must:
 - (i) be comprised of Directors who are financially literate, at least one of whom has financial expertise; and
 - (ii) demonstrate an appropriate mix of skills, experience, diversity and knowledge to discharge its responsibilities and objectives.
- (c) The Board must review the range of expertise of its members regularly and ensure that it has operational and technical expertise adequate to support the operation of the Company. Accordingly, the number of Directors may be increased where additional expertise is required in specific areas or when an outstanding candidate is identified.
- (d) The Board should consist of a majority of independent Directors.

5.2 Size

- (a) In accordance with the Constitution and the Corporations Act, the Board will at all times have at least three Directors.
- (b) The composition of the Board is, and will continue to be, determined on the basis that the Board requires that the Directors collectively have a broad range of technical and commercial expertise and experience in a field complementary to the Company's activities and/or have professional qualifications appropriate and relevant to the Company and its business.
- (c) The Board should be comprised of Directors with a relevant blend of personal experience in accounting and finance, law, the energy industry, financial management and public company administration, and director-level business or corporate experience comparable with the scale and nature of the activities of the Company. As at the date of this Charter, Directors have been appointed based on the specific corporate and governance skills and experience required by the Company. New appointments are to be made on this same basis.
Appointment and Removal of Directors

Directors will be appointed and removed in accordance with the Corporations Act and the Constitution.

5.3 Independent Directors

As a general principle, independent Directors are those who have the ability to exercise their duties unfettered by any business or other relationships and are willing to express an objective opinion.

The approach and attitude of a non-executive Director is a critical factor in determining his/her independence. Other relevant factors include whether the non-executive Director:

- (a) is not a substantial shareholder of the Company or an Officer of, or otherwise associated directly with, a substantial shareholder of the Company (as defined in section 9 of the Corporations Act);
- (b) has not, within the last three years, been employed in an executive capacity by the Company or another Group member, or been a Director after ceasing to hold any such employment;
- (c) has not, within the last three years, been a principal of a material professional adviser or a material consultant to the Company or another Group member, or an employee materially associated with the service provided;
- (d) is not, or has not within the last three years been, a material supplier or customer of the Company or other Group member, or an Officer of or otherwise associated, directly or indirectly, with a material supplier or customer;
- (e) has no material contractual relationship with the Company or another Group member other than as a Director;
- (f) has not served on the Board for a period in the past which could, or could reasonably be perceived to, compromise the Director's independence or materially interfere with the Director's ability to act in the current best interests of the Company; and
- (g) is free from any interest and any business, familial or other relationship which could, or could reasonably be perceived to, materially interfere with the Director's ability to act in the best interests of the Company.

The Board will regularly assess, and at least annually, the independence of each of the non-executive Directors based on the interests and associations they disclose and all other available, relevant information.

The Board recognises that the tenure of a Director alone will not be sufficient to determine whether a Director's independence has been compromised. However, the Board should regularly assess whether a Director, who has served for more than 10 years, has become too close to management to be considered independent.

All Directors will be requested to answer the Director Independence Questionnaire set out in Schedule 1 on appointment and thereafter, on an annual basis.

5.4 Annual Report Disclosure

The Board may classify a Director as independent, notwithstanding his/her failure to meet any of the abovementioned criteria. In this case, the Board will state its reasons for making such a decision in the Company's annual report.

The Board will make immediate disclosure to the market if a Director loses his/her independent status.

The Board must ensure that each annual report of the Company discloses:

- (a) the names of the Directors who are considered by the Board to be independent;
- (b) the reasons for considering a Director to be independent;
- (c) the reasons for considering a Director to be independent despite failure to meet the abovementioned criteria; and
- (d) the period of office of each Director.

6. Nominations

The Board will consider nominations for appointment or election of Directors that may arise from time to time having regard to:

- (a) the corporate and governance skills required by the Company;
- (b) the ASX Corporate Governance Principles; and
- (c) the procedures outlined in the Constitution and the Corporations Act.

7. Appointment of Directors

The Board will undertake appropriate checks to determine whether or not to recommend a Director to shareholders for election or re-election or to appoint a Director to fill a casual vacancy.

The Board notes that ASX Listing Rule 14.4 precludes a Director (except the Executive Chairman) from holding office for more than three years, or beyond the third Annual General Meeting after appointment (whichever is the longer) without submitting himself/herself for re-election. The proportion of Directors that must retire or be re-elected at any particular general meeting is not prescribed under ASX Listing Rule 14.4. Rule 3.6 of the Company's Constitution requires that at least one third of the Directors (excluding the Executive Chairman) must retire or be re-elected each year.

Subject to the number of Directors allowed under the Constitution, a Director may be appointed by an ordinary resolution of the Company in a general meeting. Where a Director's position becomes vacant between such meetings, the Board may appoint a

replacement Director to fill the casual vacancy. Replacement Directors appointed hold office only until the commencement of the next annual general meeting of the Company at which meeting that Director may stand for election to the Board.

The terms and conditions of the appointment and retirement of members of the Board will be set out in a letter of appointment or other agreement to be issued to, and executed by, each Director elected or appointed to the Board, which will include the following matters:

- (a) term of the appointment, subject to member approval;
- (b) time commitments envisaged;
- (c) powers and duties of all Directors;
- (d) any special duties or arrangements attaching to the particular Director's position;
- (e) circumstances in which an office of Director becomes vacant;
- (f) remuneration, including superannuation and expenses;
- (g) requirement to disclose Director's interests and any matters which affect the Director's independence;
- (h) details of fellow Directors;
- (i) corporate governance policies generally, including the trading policy governing dealings in securities (including any share qualifications) and related financial instruments by Directors, including notification requirements;
- (j) induction training and continuous education arrangements;
- (k) Board policy on access to independent professional advice;
- (l) indemnity and insurance arrangements;
- (m) confidentiality obligations and rights of access to corporate information;
- (n) a copy of the Constitution; and
- (o) an organisational chart of management structure.

8. Education

8.1 New Directors

New Directors will undergo an induction process in which they are given a full briefing on the Company. Where possible this includes meetings with key executives, tours of

the premises, an induction package and presentations on the Company's history and scope of activity.

8.2 **Continuing professional development**

To ensure continuing improvement in Board performance, all Directors are encouraged to undergo professional development. Specifically, Directors are provided with the resources and training to address skills gaps where they are identified, and to receive continuing education concerning key developments in the Company and in the industry and environment within which the Company operates.

9. **Performance review and evaluation**

It is the policy of the Board to ensure that the Directors and executives of the Company are equipped with the knowledge and information they need to discharge their responsibilities effectively, and that individual and collective performance is regularly and fairly reviewed.

The Company should implement and disclose a process for regularly reviewing the performance of the Board, its committees, individual Directors and senior executives. The Company should also disclose whether a performance evaluation was carried out in relation to each reporting period in accordance with the Company's performance review process.

The Board will review and evaluate the performance of individual Directors and executives on an annual basis.

10. **Directors' remuneration**

10.1 **Determination of fees and salaries**

The fees and salaries paid to both executive and non-executive Directors will be set by the Board.

10.2 **Fees to non-executive Directors**

The aggregate amount of Directors' fees that the Company may pay to its non-executive Directors will be approved by the shareholders of the Company. Any increase in this aggregate amount of Directors' fees to be paid to non-executive Directors must be approved in advance by shareholders in accordance with ASX Listing Rule 10.17.

The Company will ensure that fees and salaries conform with general standards for publicly listed companies of the size and type of the Company and that they not be excessive. All remuneration to be provided to Directors and statutory Officers will be disclosed in the annual report of the Company each year.

10.3 **Dealing in securities**

In line with the Company's desire to maintain the independence of the Directors, each Director is permitted to deal in securities of the Company in accordance with the Company's Securities Trading Policy.

11. Meetings and operation of the Board

11.1 **Frequency of board meetings**

The Executive Chairman and Secretary intend to schedule monthly formal Board meetings unless otherwise determined by the Board, and will also meet as frequently as may be required to deal with urgent matters. The Board may resolve matters by way of circulating resolutions where appropriate, which may either be in place of, or in addition to, formal Board meetings.

11.2 **Directors may serve on other boards**

It is recognised and accepted that Board members may concurrently serve on other boards in an executive or non-executive capacity, subject to normal corporate governance considerations such as the duty to avoid conflicts of interest.

11.3 **Dedication of time**

Individual Directors are requested to consider the number and nature of their directorships, and the calls on their time made by other commitments. Each Director must commit sufficient time and skill to carry out his/her duties as a Director.

11.4 **Board papers**

The Board papers, which include comprehensive reports on the operational and financial performance of the Company, and an agenda for each Board meeting, will be circulated to Board members in advance of Board meetings.

11.5 **Committees**

The Board may, from time to time, establish a committee if circumstances arise such that a committee separate to the Board is required.

12. Independent professional advice

Any Director may take such independent legal, financial or other advice as he/she considers necessary at the reasonable expense of the Company on any matter connected with the discharge of his or her responsibilities. Any Director seeking independent advice must first discuss the request with the Executive Chairman who will

facilitate obtaining such advice. The Executive Chairman may determine that any advice received by a Director be circulated to the Board.

13. Access to the Company information and confidentiality

All Directors have the right of access to all relevant Company books and to the Company's executive management. In accordance with legal requirements and agreed ethical standards, Directors and executives of the Company have agreed to keep confidential all information received by them in the course of the exercise of their duties. Directors and executives will not disclose non-public information of the Company except where disclosure is authorised or legally mandated.

All Directors are entitled to the benefit of the Company's standard Deed of Indemnity, Insurance and Access which provides ongoing access to Board papers and at the Company's expense, Directors' and Officers' Insurance for seven years after the Director leaves the Board.

14. Allocation of responsibilities

14.1 Chair of the Board

The chair of the Board leads the Board and has responsibility for ensuring that the Board receives accurate, timely and clear information, to facilitate the performance of its duties.

The chair of the Board authorises the expenses of all other Directors.

The position of the chair of the Board will be reviewed by the Board at the first Board meeting following the annual general meeting. As at the date of adoption of this Charter, the chair of the Board is the Executive Chairman.

18. Codes of Conduct

18.1 Conflicts of interest

To ensure that Directors are at all times acting in the interests of the Company, Directors must:

- (a) disclose to the Board actual or potential conflicts of interest that may or might reasonably be thought to exist between the interests of the Director and the interests of any other parties in carrying out the activities of the Company; and
- (b) take such necessary and reasonable steps to remove any conflict of interest if requested by the Board, within seven days or such further period as may be permitted.

If a Director cannot or is unwilling to remove a conflict of interest then the Director must, in accordance with the Corporations Act, absent himself or herself from the room when Board discussion and/or voting occurs on matters about which the conflict relates (save with the approval of the remaining Directors and subject to the Corporations Act).

18.2 Related party transactions

Related party transactions between a Director and the Company are regulated by the Corporations Act and the ASX Listing Rules. It must be determined that:

- (a) an exemption under the Corporations Act applies; and
- (b) Chapter 10 of the Listing Rules does not apply,

before the Board approves the relevant related party transaction without prior shareholder approval having been obtained.

The Company must also disclose related party transactions in its financial report as required under relevant Accounting Standards.

18.3 Share dealings and disclosures

The Company's Securities Trading Policy regarding Directors, executives and employees dealing in its securities, is set by the Board. The Securities Trading Policy restricts Directors, Officers and employees from:

- (a) trading in the Company's securities in certain closed periods; and
- (b) acting on material information until that information has been released to the market and adequate time has been given for the market to factor that information into the determination of the Company's share price. Officers, employees and Directors are required to consult the Executive Chairman, the Board and Secretary respectively, prior to dealing in securities in the Company or other companies with which the Company has an interest in and/or relationship with.

Dealings are not permitted at any time whilst the person proposing to deal is in possession of price sensitive information not yet available to the market. In addition, the Corporations Act prohibits the purchase or sale of securities whilst a person is in possession of inside information.

19. Appointment of external audit firm

An external audit partner is to be permanently engaged by the Company to provide shareholder and investor confidence in the integrity of the Company's financial reports, and audit compliance. The Company requires the external audit partner to maintain independence from the Company in accordance with the Corporations Act and this Charter.
